

Safety Data Sheet

DIGIKLENZ

SECTION 1: Identification of the substance/mixture and supplier

Product Name	DIGIKLENZ
Other names	Not available
Recommended Uses	Hand Cleaner
Supplier	Hygiene Technologies Ltd
Street address	28 Rangitane Road, Whakatu Hastings, New Zealand
Free phone Number	0800 732 525
Telephone Number	(06) 876 4111
Facsimile	(06) 878 3802
Email	info@hygienetech.co.nz
Emergency Telephone	NZ Fire Service – 111
National Poisons Centre	0800 764 766 (0800 POISON)

SECTION 2: Hazards Identification

Dangerous Goods	Not classified as a dangerous good according to NZS 5433:1999 Transport of Dangerous Goods on Land
Hazardous Substances	Not considered a Hazardous Substance according to the criteria of the New Zealand Hazardous Substances New Organisms legislation.
HSNO Classification	Not allocated
Hazard Statements	Not allocated
Precautionary Statements	Avoid contact with eyes.

SECTION 3: Composition/Information on Ingredients

Contents	CAS Number	Proportion
Ingredients determined to be non-hazardous		100%

SECTION 4: First Aid Measures

For advice, contact National Poisons Information Centre (Phone 0800 764 766) or a doctor if medical advice is needed. Have product container or label at hand

Swallowed	Do NOT induce vomiting. Rinse mouth with water (only if the person is conscious).. May cause gastrointestinal discomfort. If symptoms persist call a POISON CENTRE or doctor/physician.
Inhalation	Not expected to cause irritation. If feeling unwell, remove to fresh air and keep at rest in a position comfortable for breathing. If irritation persists get medical advice.
Skin Contact	Not expected to cause irritation. If skin irritation occurs, gently wash affected areas with water and get medical advice.
Eye Contact	Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If symptoms persist contact a doctor.
Advice to Doctor	Treat symptomatically.

SECTION 5: Fire-fighting Measures

Specific Hazard	Non-combustible material.
Suitable Extinguishing Media	If material is involved in a fire use extinguishing agents appropriate for surrounding fire.

SECTION 6: Accidental Release Measures

Slippery when spilt. Avoid accidents, clean up immediately. Wear protective equipment to prevent eye contact. Contain – prevent run off into drains and waterways. Absorb with sand, earth, vermiculite or other inert material. Collect and seal in properly labelled containers or drums for disposal. Wash area down with excess water. Residues may be flushed to the sewer for normal wastewater treatment.

SECTION 7: Handling and Storage

Precautions for safe handling	Avoid eye contact.
Storage	Keep in a tightly closed container, stored in a cool, dry, area. Use older containers first. Keep from freezing.

SECTION 8: Exposure Controls / Personal Protection

Workplace Exposure Guidelines	No value assigned for this specific material by Worksafe New Zealand.
Engineering Controls	Natural ventilation should be adequate under normal use conditions. Keep containers closed when not in use.
Personal Protective Equipment	Wear eye protection if contact with concentrated product is likely.

SECTION 9: Physical and Chemical properties

Appearance	Off-white viscous liquid
Odour	Lemon scent
Solubility	Disperses in water
pH	6.0 – 7.0
VOC %	0
Solvent content	72.98 %
Solid content	27.02 %

SECTION 10: Stability and reactivity

Stability	Stable under normal conditions use and storage
Hazard Reactions	No known hazardous reactions
Incompatible materials	None known
Conditions to avoid	Extremes of temperature

SECTION 11: Toxicological information

Swallowed	May cause nausea, vomiting and abdominal discomfort
Eye Contact	May be irritating to eyes
Skin Contact	Formulated for use on the skin. May cause mild irritation to sensitive or damaged skin.
Inhaled	Non-harmful
Long Term Effects	No information available for the product
Toxicological Data	No data

SECTION 12: Ecological information

Aquatic Toxicity	No ecological or special considerations when used according to directions. Not considered environmentally harmful.
-------------------------	--

SECTION 13: Disposal

Recycle wherever possible. Whatever cannot be saved for recovery or recycling should be handled as non-hazardous waste and sent to an approved waste disposal contractor.

Product is suitable for disposal at an approved landfill site. Small quantities may be diluted with plenty of water and disposed of via sewer if local authority allows.

Decontaminate empty containers with water. Dispose of neutralised container in accordance with local authority requirements.

SECTION 14: Transport information

Road and Rail Transport	Not classified as a Dangerous Good according to NZS 5433:1999 Transport of Dangerous Goods on Land.
Marine Transport	Not classified as Dangerous Goods by the criteria of the International Maritime Dangerous Goods Code (IMDG Code) for transport by sea.
Air Transport	Not classified as Dangerous Goods by the criteria of the International Air Transport Association (IATA) Dangerous Goods Regulations for transport by air.

SECTION 15: Regulatory Information

HSR Number:	Nil
Group Standard:	Nil
HSNO Classification:	Nil
Location Test Certificate:	Not applicable
Approved Handler	Not applicable

16. Other information
