

When ordering these labels, please use code FB151L- (insert number for the colour required where -1=white, 2=blue, -3=red, -4=yellow, -5=green, -6=black, -7=orange and -8=purple). You can order the labels in one of the following three formats:

- With a picture from the options shown below (in addition to the code, you will also need to stipulate the picture name you require for your label eg. FB151L-2 Bucket).
- With text of your choice (at the end of the code you will need to insert the 'text you want to appear on the label' e.g. FB151L-2 'Vacuum Hose' would get you a blue label with the words "Vacuum Hose" printed on it.
- With a number of your choice. The space at the left hand side of the rail sign (see brochure for picture) is designed for a unique number per wall rail. (At the end of the code, insert the number you require e.g. FB151L-2 '123').
