

Letter of Guarantee for Chemical Compounds

7th January 2025

To Whom It May Concern:

I am writing to certify that Opal brand "Acitrol", sold by Hygiene Technologies Ltd, 28 Rangitane Rd, Whakatu, Hastings 4180, complies with the Food Standards Australia and New Zealand (FSANZ) Standard 1.3.3 Processing Aids and any other applicable regulations.

Acitrol is a blend of specific proportions of citric acid and sulfuric acid – it is intended for use by direct application to render-grade animal material or alternatively to cut vegetables to reduce enzymatic browning.

When used according to instructions and as intended, Acitrol will have no adverse effects on the material being processed.

Glen Senior
Technical.
