

How to assembly

Guide - pad holder / floor pads

Make sure to unlock the lock buttons to the position as shown in the picture above. Place the pad holder in the centre on top of the floor pad in open position.

Press down firmly so the pad holder goes from V position to lying flat on the floor pad.

Keep pressing down with one hand while locking the locking buttons with the other hand. Rotate the lock buttons 90°. so the flat end faces out from the centre of the pad holder.

Ready for use
