

## Quality Guarantee Certificate

Thank you for choosing Fibreclean, where performance meets peace of mind.

We take pride in the superior durability and cleaning power of our microfibre floor mops. Our mop heads are crafted in New Zealand from high-quality materials and proven to deliver reliable performance up to 500 washes\*.

We are so confident in the quality of our microfibre mop heads that we back them with this guarantee.

If you are not completely satisfied with your Fibreclean microfibre mop head at any point during its life, we will gladly replace it for you.

To claim your replacement contact our customer service team on 0800 732 525. You will need to provide proof of purchase with a brief description of the issue and laundering process used.

**Your cleaning confidence is our promise.**

\*Guarantee is only valid for the selected items shown with this icon in our online catalogue and is only valid if the laundry instructions provided have been adhered to for the life of the product.
